BUG REPORT

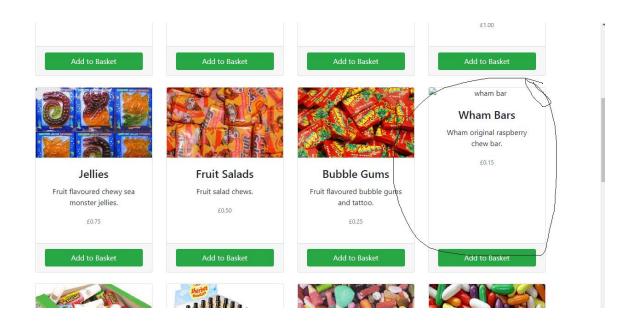

ID	BUG-1
SUMMARY	Content in Community Support and Dedicated Support section are
	not correctly aligned
DESCRIPTION	When user goes to open cart's website home page and scrolls down
	to the "Community Support" and "Dedicated Support" it can be seen
	that Logo photos, Text and "LEARN MORE" button in that section
	are not symmetric and correctly aligned.
STEPS TO REPRODUCE	1. Go to https://www.opencart.com/
	2. Scroll down to "Community Support" and "Dedicated Support"
	3. Pay attention to the alignment of content (logo photos, text and the
	"LEARN MORE" button)
EXPECTED RESULT	Content should be symmetric and correctly aligned
ACTUAL RESULT	Content are not symmetric. The left content section is top aligned,
	and right content section is bottom aligned.

SUMMARY	Dedicated Support section - clicking the "LEARN MORE" button
	opens a new tab instead of keeping the user in the same tab.
DESCRIPTION	When user goes to open cart's website home page and scrolls down
	to the "Dedicated Support" and clicks on "LEARN MORE" button,
	it can be seen that user is being redirected to a new tab
STEPS TO REPRODUCE	1. Go to https://www.opencart.com/
	2. Scroll down to " Dedicated Support " and "LEARN MORE"
	button
	3. Click on "LEARN MORE" button
EXPECTED RESULT	Upon clicking the "LEARN MORE" button, the user should remain
	in the same tab.
ACTUAL RESULT	After clicking the ""LEARN MORE"" button, a new tab opens and
	user is being redirected to new tab
